

Advice for School Crossing Patrol Staff – September 26th, 27th & 28th

School Crossing Patrollers

Due to the impending strike action by GMB and Unison which is taking place on Tuesday 26, Wednesday 27 and Thursday 28 September, I am aware that School Crossing patrollers are not part of the strike action planned, however, due to the schools being closed for pupils you will not be required to carry out school crossing patrol duties on these days. To ensure you are paid for these days, please contact **01292 616445**. If you do not make contact as requested, you will not be paid for the 3 days when the strike action is taking place. Duties will resume as normal on Friday 29 September.

Please note if strike action is suspended, you will be required to return to your normal hours and duties.
