- (a) that the development hereby permitted must be begun within three years of the date of this permission;
- (b) that the development hereby granted shall be implemented in accordance with the approved plan(s) as listed below and as forming part of this permission unless a variation required by a condition of the permission or a non-material variation has been agreed in writing by the Planning Authority;

Drawing - Reference No (or Description): Location Plan; and

Other - Reference No (or Description): Operating Statement.

Reason for Decision:

The proposed change of use proposal is supported by the framework of planning policy including National Planning Framework 4 and Local Development Plan 2 in that it could bring economic benefits to the area and is not expected to have a detrimental impact on residential amenity or the character of the surrounding area. Should any residential amenity issues arise in the future, it would be for Police Scotland, the Council's Environmental Health Service or Licensing Team to pursue through their regulatory powers.
