# Report by Director of Housing, Operations and Development to Cabinet of 23 April 2024

Subject: Strategic Transport Projects Review (STPR2)
Publication

#### 1. Purpose

- 1.1 The purpose of this report is to provide an update on Transport Scotland's second Strategic Transport Projects Review (STPR2) publication.
- 2. Recommendation
- 2.1 It is recommended that the Cabinet:
  - 2.1.1 notes the publication of the Strategic Transport Projects Review 2;
  - 2.1.2 commits to funding a STAG on the A77 or a joint STAG on the A75 and A77 with Dumfries and Galloway Council; and
  - 2.1.3 otherwise notes the contents of the report.

#### 3. Background

- 3.1 In 2019, Transport Scotland, the national transport agency of the Scottish Government, commenced the second Strategic Transport Projects Review (STPR2), the first review having been published in 2008. STPR2 will help deliver the vision, priorities and outcomes that are set out in the second National Transport Strategy. This review of the strategic transport network's performance will inform transport investment in Scotland for the next 20 years (2022-2042) by providing evidence-based recommendations on which Scottish Ministers can base future transport investment decisions. STPR2 considers the transport needs of Scotland's people and communities, and examines active travel (walking, wheeling, cycling), bus, ferry, rail and motorways and trunk roads as well as passenger and freight access to major ports and airports. These needs are reviewed from national and regional perspectives to reflect their different geographies, travel patterns and demands. Cabinet was provided an update on STPR2 on 15 February 2023.
- 3.2 A previous report on STPR2 was submitted to Cabinet on 15 February 2023 which provide detail on the finalised STPR2 report and regional recommendations.

#### 4. Proposals

- 4.1 The STPR2 process follows <u>Scottish Transport Appraisal Guidance</u> (STAG), an established evidence-based approach to identify problems and opportunities, set transport objectives to address these and generate, sift and appraise options for changes to the transport system. A full list of options that were sifted out across all regions and at a national level is provided as an Appendix to the National Case for Change. Following the sifting exercise 138 options specific to the Ayrshire and Arran Region were retained for further appraisal and can be found <u>here</u> (pages 48 65), The 105 options sifted out in the Ayrshire and Arran and Transport Scotland's rationale for sifting them out are shown <u>here</u> (pages 71 87). To date Transport Scotland have not provided a programme nor have they committed any funding to carry out any of the projects shifted in.
- 4.2 The Ayrshire Roads Alliance in partnership with Dumfries and Galloway Council and Mid and East Antrim Council produced a Strategic and Economic Impact Assessment report (S&EIA) for both the A75 and A77 corridors, the outcomes from this report detailed the economic benefits to significant investment in both the A75 and A77. In the period since the publication of both the STPR2 and the S&EIA the UK government has committed significant funding to Dumfries and Galloway Council to progress upgrades to the A75, despite this Dumfries and Galloway Council remain committed to working in partnership with SAC to secure investment in both the A75 and the A77.
- 4.3 To take this work forward the partnership should be continued and that a STAG specific to the A75 and A77 be carried out, this STAG will combine the previous work carried out by STPR2 and the S&EIA and develop these further to provide evidence based priority outcomes to improve both the A75 and A77 from a transport perspective. Once complete the STAG and S&EIA will form the base data for an Outline Business Case (OBC) and subsequent Full Business Case (FBC).

#### 5. Legal and Procurement Implications

- 5.1 There are no legal implications arising from this report.
- 5.2 There are no procurement implications arising from this report.

#### 6. Financial Implications

6.1 South Ayrshire Council would be required to provide 100% funding to complete the STAG on the A77 or 50% funding to a joint STAG with Dumfries and Galloway Council on the A75 and A77.

#### 7. Human Resources Implications

7.1 Should funding be made available to carry out the proposed STAG and subsequent OBC and FBC these will have a staff resource implication for ARA.

#### 8. Risk

#### 8.1 Risk Implications of Adopting the Recommendations

8.1.1 There are no risks associated with adopting the recommendations.

#### 8.2 Risk Implications of Rejecting the Recommendations

8.2.1 There are no risks associated with the rejection of the recommendations

#### 9. Equalities

9.1 The proposals in this report have been assessed through the Equality Impact Assessment Scoping process. There are no significant potential positive or negative equality impacts of agreeing the recommendations and therefore an Equalities Impact Assessment is not required. A copy of the Equalities Scoping Assessment is attached as <a href="Appendix 1">Appendix 1</a>.

#### 10. Sustainable Development Implications

10.1 **Considering Strategic Environmental Assessment (SEA)** - This report does not propose or seek approval for a plan, policy, programme or strategy or document otherwise described which could be considered to constitute a plan, programme, policy or strategy.

#### 11. Options Appraisal

11.1 An options appraisal has not been carried out in relation to the subject matter of this report.

#### 12. Link to Council Plan

12.1 The matters referred to in this report contribute to Commitment 4 of the Council Plan: South Ayrshire Works/ Make the most of the local economy.

#### 13. Results of Consultation

- 13.1 There has been no public consultation on the contents of this report.
- 13.2 Consultation has taken place with Councillor Bob Pollock, Portfolio Holder for Economic Development, and the contents of this report reflect any feedback provided.

#### 14. Next Steps for Decision Tracking Purposes

14.1 If the recommendations above are approved by Members, the Director of Housing, Operations and Development will ensure that all necessary steps are taken to ensure full implementation of the decision within the following timescales, with the completion status reported to the Cabinet in the 'Council and Cabinet Decision Log' at each of its meetings until such time as the decision is fully implemented:

### South Ayrshire Council Equality Impact Assessment Scoping Template

Equality Impact Assessment is a legal requirement under the Public Sector Duty to promote equality of the Equality Act 2010. Separate guidance has been developed on Equality Impact Assessment's which will guide you through the process and is available to view here: <a href="https://www.south-ayrshire.gov.uk/equalities/impact-assessment.aspx">https://www.south-ayrshire.gov.uk/equalities/impact-assessment.aspx</a>

Further guidance is available here: <a href="https://www.equalityhumanrights.com/en/publication-download/assessing-impact-and-public-sector-equality-duty-quide-public-authorities/">https://www.equalityhumanrights.com/en/publication-download/assessing-impact-and-public-sector-equality-duty-quide-public-authorities/</a>

The Fairer Scotland Duty ('the Duty'), Part 1 of the Equality Act 2010, came into force in Scotland from 1 April 2018. It places a legal responsibility on Councils to actively consider ('pay due regard to') how we can reduce inequalities of outcome caused by socio-economic disadvantage, when making strategic decisions. <u>FSD Guidance for Public Bodies</u> in respect of the Duty, was published by the Scottish Government in March 2018 and revised in October 2021. See information here: <a href="https://www.gov.scot/publications/fairer-scotland-duty-quidance-public-bodies/">https://www.gov.scot/publications/fairer-scotland-duty-quidance-public-bodies/</a>
