

Dear Ms Baird

I'd like to put forward my support for the proposed DGC community asset transfer application in relation to Muirhead Activity Centre.

I use the activity centre regularly for parties and I appreciate that facility however I know this service is available in other south ayrshire venues.

My daughter recently joined DGC and I have been impressed by the club in enthusiasm for gymnastics and health; inclusiveness and friendliness. I'm keen to see this grow and be available to more groups of people; in particular people with additional needs.

In order for the club to be made welcome in muirhead I hope that South Ayrshire council can work with parents who use the after school club in order to keep that valuable service in a suitable local venue.

I'd also like information on how to book/ utilise the hard courts and pitches with Mar college to be more widely advertised.
