PROGRESS UPDATE (INCLUDING AREAS OF SUCCESS)

Since the last CP Board, there has been one meetings of the SDP – 24th June 2024 (the next meeting is scheduled for 16th August).

Ageing Well

The Ageing Well Strategy will be taken to August Community Planning Board for approval. A formal launch is planned in The Gaiety Theatre on 10th September. Ageing Well Champions Board have been created in Girvan, Ayr and Troon who have been a fantastic asset to the strategy.

Green Health and Active Living

Group are meeting every few months and outwith the main group the working groups are meeting regularly. Funding has been secured for a Green Space Officer, officer is now in post and working in Ayr and Alisa but also Ayr Central and planning to do open and closed green gym spaces in both sites. Post is funded until end of March 2025 however the group is looking to secure more funding to keep this post going for longer and additionally fund a development officer role as well. A Sway newsletter is in development just now which will be shared as a progress report with members.

Physical Activity and Sport

Kirsty advised that they were asked to present at a recent event that involved Active Schools and Sport Development Managers across the country, looking at how Community Planning deliver Sport and Physical Activity in our local area, this was received positively. Looking at refreshing the strategy, due to some references within it that are now out of date. Opportunity to work with Public Health Scotland around the eight investment priorities within Sport and Physical Activity and consideration will be given as to how we can drive forward some of the local planning through this forum.

The national outcome framework is currently under review and have been advised that it will be replaced by the eight best investments for Sport and Activity. This will shape the work locally, but South Ayrshire is on the right path to meeting some of these priorities already.

Mental Health and Wellbeing

A new officer is now managing the Mental Health and Wellbeing. Update to follow at next meeting on the Mental Health Action Plan.

Potential workshop for this SDP, this could be something to look at and use it to reenergise members as well as a good opportunity to share the work of the partners.

KEY ISSUES

- Membership of the group is to be reviewed - it was suggested that a representative from UWS could possibly join – this will be discussed in due course.

UPDATE ON ACTION TO SUPPORT THE LOIP/PLACE PLANS

- Locality plans to be shared with the SDP's, keen to see if any previous SDP priorities are included within the new plans and also the benefit of the HSCP Engagement Officers being included in future meetings.
- Proposal of a Locality Planning Partnership overview workshop at the October Community Planning Board to provide information on each of the LPP priority areas.
