Wallace Tower is an Ayr Common Good building and receives a rent from SAC for Council's occupation. Groups and other organisations,from time to time,use the building and will pay a let fee. These two elements,perhaps along with others,will make up the income received by Ayr Common Good,in relation to Wallace Tower,in any financial year. I seek this information,please.

The other side of the income/ expenditure accounts comparison I want to be able to make is an indication of money spent by the Common Good to fulfil its responsibilities in relation to its agreement with SAC;it pays all repairs and maintenance,rates,utilities,member of staff etc.

In short,I want to compare,for the year I indicate and in relation to Wallace Tower,the detail of what went into Ayr Common Good account and what came out.

FOI/2021/	11274	<p>1. A copy of all current licences issued in respect of selling animals as pets. For the avoidance of doubt I do require a copy of the licence and not just a link to any online list. The purpose of my request is to identify pet sellers and information recorded on licences by licensing authorities. Please note that it is my view that the copy licence provided should not be redacted to such an extent that the licence holder cannot be identified. I will require the name of the licence holder, be that a natural person or body corporate. I accept that a balance needs to be struck between the need for openness and transparency and data protection issues (which only applies to natural persons and not corporate bodies), for this reason I do agree that where an individual trades from a residential address the address can be redacted. It may also be appropriate to redact the name and signature of any council employee or official.</p>	Closed(Provided)
