 Seconded by – Diane Ferguson

**5. TREASURERS REPORT**

## 6. Civic Award winners – Dougie Graham and Junior – Maya Grace Thomson S3

## 7. OPEN FORUM

Maureen wished to bring up about the 3G pitches and the astro turf. Issues in relation to the use of rubber and asking if this can be changed to something less toxic. Discussion around this with cllr pollock advising the work was due to start on 27/1/25 and this could not be altered. This lead on to much chat surrounding the matter which has been from one professor and everyone has a differing opinion on the matter. It was an operational decision and the fact the sfa are still using the same surface. In end matter had to be brought to a close as nothing will change this time round and Maureen will do more research and take to council if required.

## 8. TCC REPORTS.

- a) Events - George is stepping back due to health reasons and Diane will step up and assist with ongoing events.
- b) Train Station – discussion around opening times and this is an ongoing issue. I mclure typed up some info and this can be forwarded to scotrail to invite further information re this matter. Future looks at present time as station will be shut in afternoons. Cllr Bell and Mckay have been looking into this matter and they will be invited to future meeting to discuss matter. Appears to be design issues as the toilets cannot be accessed unless waiting area open so this needs looked at. Seems to be an issue with most stations in the area not being staffed.
- c) Model ships - maritime museum seems to be the best option and this is ongoing in background.
- d) Andy Girvan - VE day (80) anniversary coming up and looking at best way to commemorate the event in town. Local branch will be asked to take part in these celebrations. Discussion surrounding maybe a meal for senior citizens and tying this in with gala weekend?
- e) Xmas lights – insurance being looked at.
- f) Calmac – Robert advising Glen Sannox now running up to end of summer period and hope to up the sailings during the summer months.
- g) TDT – discussed training for new bikes. Also working on a project team to obtain old parish church for the community.

## 9. SAC REPORTS & DISCUSSION

- a. **Cllr Mackay** – ASN provision at troon PS been agreed and this would be greatly received. Barriers/accessibility in town and looking at getting some improvements.
- b. **Cllr Pollock** – Car park at costa – ground still owned by SAC, lease was transferred to LIDL, they are responsible for the maintenance of it.
- c. **Cllr Bell** – Post office deliveries looking at cutting back nationally.

## 10. AOCB

Issue raised that the south beach car park the markings are no longer visible. This could be raised with roads dept direct.

3 play parks upgraded recently.

Wind socks up at Beach.

Looking at upgrading the play park at beach front and extension to skate park will be going ahead.  
Common good fund can be spent on toilets/shower at the car park at other end of South Beach.

Fullarton woods - feasibility study to be carried out. Toilet block extended and mini café/coffee shop would be put out to tender.
