Matthew McColm	Communication & Events	Tarbolton Community Council
Janet Thornton	Member	Tarbolton Community Council

Approval of Minutes

Minutes of Meeting from 2 October 2024 were approved by Caroline Borland and seconded by Mary Haughey

Treasurers Report

Tarbolton Primary have requested a donation to fund their football strips. It was agreed that £100 be donated to them to assist with the costs. Lorraine McKenzie advised to check the

Scheme of Delegation for guidance to how much we can donate. Lorraine McKenzie to look at whether any other funding sources could be looked at by the school to assist them.

Planning and Licencing Report

There are 3 recent planning applications as noted below.

Alterations to 18 James Street, Tarbolton
30 Mansefield Road, Tarbolton - erection of a shed
Whiskeyhall Mossblown – Extension to dwelling house

Police Scotland Report

No report has been received.

Communications Report

Nothing to report.

Elected Members Report

Julie Dettbarn met with Police Chief, and he is keen for the police to attend the community council meetings again. The levels of vandalism in the villages has increased and the police are looking to liaise with the community to prevent this and identify the culprits.

Lorraine McKenzie sits on the Community Safety Partnership panel and graffiti is on the next agenda. She will highlight the graffiti issues at this meeting.

War Memorial in Mossblown has been relocated and work is almost complete.

Light Up Tarbolton 2024

Switch on event is on Saturday 30th November. A Christmas Fair is being organised prior to the lights being switched on. Tarbolton Parish Church will be providing drinks and snacks and local organisations and businesses can apply for a stall.

Lights are to be extended through the village along the bus route and another tree to be located at the grassy area beside the Masonic Lodge. We had planned to bring lights around the park however the lampposts are not high enough.

The Bowling Green are working with us this year and Mr & Mrs Claus will be meeting the children and handing out gifts.

We have approached Dunaskin Pipe Band to perform at the event.

Place Planning

Money has been set aside for Tarbolton. Both Elected Members advised that we simply require to provide them with what we would like to spend the money on and they will take this

forward. Any requests should be emailed to the 3 elected members and they will progress these requests. The two playgrounds require investment. The paved area at the junction of Beechwood Road and Princes Street is badly damaged however it was felt that this should be repaired outwith the Place Planning Funding.

Discussion took place regarding the provision of parking spaces. A project should be undertaken to look at this.

Robbie Mann and individuals from the village carried out an assessment to look at improving the village for residents with disabilities and mobility issues. The result of this research will be highlighted in the future.

The flooding at Wilson Park is something that we think should be taken forward as part of the place plan. The Elected Members have suggested that we get photos when the flooding is particularly bad.

Any other Competent Business

Vicky Dalrymple asked the process for letting out the community space. The Lets Section of South Ayrshire Council have information on the website and the process is explained on the website with relevant application forms.

The Elected Members have not had any information about the 20 mph however will chase this up and provide us with the date of any future meetings.

Jane Corrie has taken up the post of Head of Ayrshire Roads Alliance. Suggested to invite her a future meeting.

Suggestion was made that a leaflet be developed for distribution through the village to highlight all of the activities that take place.

Adjournment

Billy McColm closed the meeting.
