| 4  | <p><b>Matters Arising from the Minutes</b></p>   |  |
|    | <p>ACk had sent apologies and regretted having to miss the meeting, due to other appointments. Given the amount of actions on the minutes for ARA he had asked Kevin Braidwood (KB) to attend the next CC meeting in March (sic). <i>(The CC does not normally meet in March but will consider changing from April if necessary. JS suggested meeting in both months - see below at AOB.)</i> KB is Director of Housing Strategy and is the main conduit between SAC and ARA. He will take matters forward. Items covered are as follows:</p> <p><b>Item 4: Matters Arising: Blocked drains; New Luce Hill Road; Item 6b: Updates: BDT: Martyrs' Tomb Walk Footbridge;</b> and <b>Item 12: AOB:Timber Lorries/Knowe Road.</b></p> <p>AC further informed that sub-contractors also use the Knowe Road and are not subject to SPEN'S instructions.</p> <p><b>Locked Gates at Kildonan:</b> CS informed that following the MP's Case Worker's investigations, the resident had received a response from James Hall, Senior Planning Officer, who copied in the CC. The matter is now with SAC's Legal Services who will issue a letter to the registered owner of the land (following a search with the Registers of Scotland to confirm) and if no response is received, a Notice will be issued to the owner. If this is not complied with within 30 days SAC has the power to take action itself to reopen the gates.</p> <p><b>Item 7: Proposed National Park:</b> It was noted that members had submitted their own personal responses before the closing date.</p> <p><b>Item 9: Small Grants Applications/Discussion on SPEN's Biodiversity CVP Fund:</b> MR had obtained the necessary form and will discuss this with SPEN.</p> <p><b>Item 10: Light Pollution at Entrance to Kilgallioch:</b> CS had contacted CW but other than an acknowledgement no further information had been received. Ongoing</p> <p><b>Item 13: AOB:SAC Capital Projects:</b> CS had trawled through previous minutes and sent extracts to ACk. These confirmed the CC had put this matter forward in October 2023 for consideration and that ACk had discussed this with Kevin Braidwood. All agreed the matter should be pursued.</p> <p><b>Barrhill Old Cemetery:</b> Removal of moss on the path. Ongoing</p> <p><b>Public Toilets:</b> LK had reported back to SAC but to date JB had not received any queries regarding this matter of land ownership.</p> <p><b>Barrhill New Cemetery:</b> Removal of molehills. | <b>5</b> | <b>Road Repairs</b>  |  |
|          | <p>AC had asked for this to be an agenda item due to the recent repairs on Knowe Road, which had initially left holes in an unsatisfactory state. However, since then further repairs had been carried out. MR informed that ARA had at long last cleaned the drains on the road outside the car park, which had always flooded during heavy rain, and a blockage was discovered in the gutter outside the car park. Other drains are still to be cleaned.</p>   |  |

|          | <p>The situation with the large number of lorries continues, with various comments made by residents, though on the whole the majority of drivers are conforming with the speed limits. A member of the public, however, reported lorries speeding out of the village and giving an insufficient berth when passing pedestrians using the road. The comments also relate to the dust when it is dry and the sludge when wet, in spite of the road sweeper operating daily. Another resident present complained that during frosty weather, the water used by the road sweeper washes the salt/grit off the road surface. There have also been reports of brown</p>   |  |
