Introduction

The Standing Orders Relating to Contracts set out how contracts for all supplies, services and works will be made by or on behalf of the Council. For the avoidance of doubt, the term 'contract' includes any form of agreement, written or unwritten, to which the Council is a party which creates rights and responsibilities for any of the parties involved.

The purpose of the Standing Orders is to ensure that contracts are appropriate for their purpose, provide the right balance between price and quality, and are procured in an open way that demonstrates probity and compliance with the Council's policies.

These Standing Orders apply equally where payment is expected to be received by the Council as where payment is to be made.

In entering contracts for or on behalf of the Council, every Committee, Panel, Officer or such other person as may have the power of entering into contracts on the Council's behalf, regardless of whether any such contracts are otherwise exempted from the application of these Standing Orders, shall be subject to an obligation to seek Best Value for the Council and be able to demonstrate equal treatment, non-discrimination, proportionality and transparency in the process of awarding contracts.

Notwithstanding the provisions and requirements of these Standing Orders, all contracts must comply with:

- (a) The Financial Regulations of the Council;
- (b) The Scheme of Delegation to Officers;
- (c) The requirements of the Public Contracts (Scotland) Regulations;
- (d) The requirements of the Procurement Reform (Scotland) Act; and
- (e) All other relevant legislation including retained EU law.

Due consideration should also be given to all Guidance and Policy Notes issued by the Scottish Government, Scottish Procurement Directorate in respect of procurement matters including the Scottish Procurement Journey. Details can be obtained from the website - [Scottish Procurement Journey](#).

1. Commencement

- 1.1 These Standing Orders relating to Contracts ('Contract Standing Orders') shall apply and have effect as from 1 July 2022 and supersede the Standing Orders Relating to Contracts approved by the Council on 24 June 2021.

2. Glossary of Terms

The current thresholds are set out under Standing Order 3.5.

They are also subject to any UK Government or Scottish Government guidance on public procurement that may be issued from time to time. The rules and procedures that apply to the procurement of any particular contract will depend on the nature of that contract and its estimated total price or value over its duration. - 3.10 Any query regarding the application or interpretation of these Contract Standing Orders must be referred in the first instance to the Head of Legal, HR and Regulatory Services.

4. Exemptions and Special Arrangements

- 4.1 It must be noted that whilst certain categories of contract are exempt from the Contract Standing Orders, they are not exempt from the application of the Procurement Reform (Scotland) Act, the Public Contracts (Scotland) Regulations or retained EU law, where these apply and all stated exemptions from Contract Standing Orders are subject to the proviso that such exemption is within the statutory powers of the Council and does not contravene any retained EU law or UK legislation including, for the avoidance of doubt, any Scottish legislation.
- 4.2 With the exception of Standing Orders 4.1 and 4.3 (which apply in all cases), these Contract Standing Orders shall not apply to:
- 4.2.1 Any contract for the execution of works, the supply of goods or materials or for the provision of services which, in the opinion of the Executive Officer, is urgently required to address a genuine emergency situation brought about by events which could not have been foreseen by the

Council. Lack of forward procurement planning shall not constitute an emergency requirement.

- 4.2.2 Any contract declared to be exempt by the Cabinet if they are satisfied that the exemption is justified by special and exceptional circumstances, such as where (a) the requirement is not readily obtainable from more than one Contractor and it can be demonstrated that no equivalent is available; or (b) the prices of the supplies, services or works are wholly controlled by trade organisations or government order and it can be demonstrated that no equivalent is available; or (c) the requirements are subject to intellectual property rights and it can be demonstrated that either no suitable alternative is available or that exposure to competition of an item covered by copyright, patent or trademark would breach such rights.
- 4.2.3 Any contract of direct employment.
- 4.2.4 Any contract of engagement of consultants (including junior and senior counsel) for the provision of specialist legal or financial advice and skills within the meaning of regulation 11 (1) (e) and (f) of the Public Contracts (Scotland) Regulations, as may be procured on an ad hoc basis on the authorisation of the Head of Legal, HR and Regulatory Services (for legal advice and skills) or of the Head of Finance and ICT (for financial advice and skills).
- 4.2.5 Any contract for works, supplies or services procured and awarded on the Council's behalf by other Contracting Authorities, in accordance with Standing Order 8.5.
- 4.2.6 Any Direct Award placed in accordance with Standing Order 9.3 under the terms of a Framework Agreement which has been established by the Council; provided always that the terms of the relevant Framework Agreement are complied with. For the avoidance of doubt, these Standing Orders shall apply in respect of any Mini-Competition held under any such Framework Agreement or DPS.
- 4.2.7 Any Direct Award placed in accordance with Standing Order 9.4 under the terms of a Framework Agreement which has been established or is being utilised by any consortium, partnership, company or similar body of which the Council is a member or user, which body exists for the purpose of joint purchasing arrangements, and where such body has invited Tenders for the provision of supplies, services or works; provided always that the terms of the relevant Framework Agreement are complied with. For the avoidance of doubt, these Standing Orders shall apply in respect of any Mini-Competition held by the Council under any such Framework Agreement or DPS.

4.3 The foregoing exemptions shall not be deemed in any way to detract from the requirement of the Council and every officer of the Council to ensure that every contract is constituted only after full assessment that:

- 4.3.1 its terms comply with the duty to achieve Best Value;

- 4.3.2 the Financial Regulations have been complied with; and
- 4.3.3 a Request for Procurement Action (RPA) has been submitted in accordance with Standing Order 10.2.2 (except in cases where Standing Orders 4.2.1 or 4.2.3 apply).
- 4.4 These Contract Standing Orders shall not apply to any proposals, transactions or contracts regarding the acquisition or disposal of lands or buildings by the Council.
- 4.5 These Contract Standing Orders shall not apply to any contract for works or services delivered under the South West Territory Hub arrangements. Any such contracts shall be let in accordance with the Council's duty to achieve best value. In advance of procuring and awarding any such contract under this Standing Order, a report shall be submitted in terms of the following:
 - 4.5.1 Where the contract is for works, goods or services up to the value of £500,000, a report on the procurement process followed shall be submitted to the Director – Place seeking approval to procure and award; or
 - 4.5.2 Where the contract is for works, goods or services of a value equal to or exceeding £500,000, a report on the procurement process followed shall be submitted to the Council or Cabinet seeking approval to procure and award. Contract details should be submitted to the Service Lead – Procurement so that they can be added to the Council Contract Register.
- 4.6 These Contract Standing Orders shall not apply to any contract entered into on behalf of the Council by Strathclyde Partnership for Transport acting in their capacity as agents of the Council to secure the provision of school transport. All such contracts will be subject to the procedures of Strathclyde Partnership for Transport although the Depute Chief Executive and Director – People shall approve the award of all such contracts on behalf of the Council and shall, as soon as reasonably practicable after the award of the contract, submit a report to be included on the monthly Members' Bulletin and naming the successful tenderer, explaining the evaluation process undertaken and detailing the value of the successful tender. A copy of the report shall be sent by the Depute Chief Executive and Director – People to the Service Lead - Procurement.

5. Disaggregation

- 5.1 Contracts must not be disaggregated, packaged or split into separate smaller contracts or requirements to avoid the application of any provision of these Standing Orders, the Procurement Reform (Scotland) Act, the Public Contracts (Scotland) Regulations or any other legislative provisions including retained EU law.
- 5.2 In determining whether either the Scottish Procurement Threshold or UK Find a Tender Service (FTS) Threshold has been exceeded in respect of any single requirement for works, services or supplies, the value of that requirement will be aggregated across the whole Council.

6. Delegation of Duties under these Standing Orders

- 6.1 No officer may award a contract without written delegated purchasing authority from the Executive Officer.
- 6.2 Executive Officers may nominate, in writing, such other properly qualified officers as they consider appropriate to undertake any of the general duties set out in these Contract Standing Orders, as more fully detailed in the table at Annex 3 to these Contract Standing Orders, who will then have delegated authority to act in lieu of the Executive Officer in respect of the prescribed duties.
- 6.3 A note of all written nominations made in terms of Standing Order 6.2 shall be provided to the Director – Place for his/ her retention.

No external Contractor(s) shall be appointed, to undertake any planned maintenance and/ or responsive repairs to buildings or property owned by the Council, by any officer other than the Director – Place or his/ her delegate.
- 7.2 All planned maintenance and/ or responsive repairs to Council houses shall be undertaken under the direction of the Housing service. Such work may, at the direction of the Director – Place, be undertaken either by the Council's Property Maintenance service in accordance with plans agreed with that service, or by external Contractor(s). 8. Collaborative Procurement

- 8.1 The powers set out in this Standing Order 8 shall be exercised by the Executive Officer through the Council's Procurement Service.
- 8.2 Following consultation with the Council's Procurement Service, where an Executive Officer considers that there is no suitable existing contract, Framework Agreement or DPS to meet the particular requirements of the Council, he/ she may seek to enter into a Collaboration with one or more other contracting authorities provided that it would be in the best interests of the Council and in accordance with Best Value to do so. The provisions of this Standing Order 8 shall apply.
- 8.3 A contract strategy shall be prepared in respect of every proposed Collaboration and shall detail the justifying reasons for the Collaboration. The contract strategy shall be approved by the Executive Officer.

- 8.4 Where it is proposed that the Council shall act as 'lead authority' in a Collaborative Procurement, the terms of these Contract Standing Orders shall apply to the Procurement Exercise and the written agreement of the other parties to the Collaboration shall be obtained to this effect.
- 8.5 Where another Contracting Authority acts as 'lead authority' in a Collaborative Procurement, the procurement and award process shall be conducted in accordance with the Standing Orders of the 'lead authority'. In every such case, the Executive Officer must first be satisfied (after consultation with the Service Lead - Procurement) that the procurement and award of any such contract shall be carried out in accordance with Standing Orders equivalent in all material respects to and no less robust than these Standing Orders such that the principles of Best Value are adhered to and the best interests of the Council are served at all times in the Collaboration.
- 8.6 Prior to commencing any Collaborative Tender exercise, the Executive Officer shall agree the parameters for the Collaboration with the appropriate officers in the other Contracting Authorities and shall record this in writing. Appropriate monitoring arrangements shall be put in place to ensure the agreed terms for the Collaboration are adhered to by all parties.

9. Framework Agreements and Dynamic Purchasing Systems (DPS)

- 9.1 The powers set out in this Standing Order 9 shall be exercised by the Executive Officer through the Council's Procurement Service.
- 9.2 Where there is likely to be a repeated requirement for a particular supply, service or works, an Executive Officer may seek to establish or participate in a Framework Agreement or DPS in line with Standing Orders 9.3 or 9.4, where he/ she deems that offers Best Value. Before doing so, the Executive Officer shall consult with the Service Lead - Procurement.
- 9.3 The Executive Officer may elect to establish a Framework Agreement or DPS to provide for agreement on the terms for future call-off contracts (whether through Direct Award, in the case of a Framework Agreement only, or by the acceptance of a Tender following a Mini-Competition) where permitted in accordance with the terms of that Framework Agreement or DPS. Standing Order 4.2.6 will apply to Call-off Contracts awarded in such circumstances.
- 9.4 The Executive Officer may elect to participate in an existing Framework Agreement or DPS that has been properly constituted by Scotland Excel, the Scottish Procurement and Commercial Directorate, another local authority, the Crown Commercial Service or any other public sector procurement agencies and may enter into Call-off Contracts (whether through Direct award, in the case of a Framework Agreement only, or by the acceptance of a Tender following a Mini-Competition) where permitted in accordance with the terms of that Framework Agreement or DPS. Standing Order 4.2.7 will apply to Call-off Contracts awarded in such circumstances.

Regulatory Services shall have the authority to enter into that agreement on behalf of the Council.

- 9.6 Any Mini-Competition run by the Council shall be conducted by means of electronic tendering for the purposes of Standing Order 13, and shall run in accordance with the procedures set out therein, unless contrary to any provisions set out in the relevant Framework Agreement or DPS (in which case, the terms of the Framework Agreement or DPS will have precedence).

10.2.5 In cases of procurement that will involve the evaluation of both price and quality criteria, to determine the Most Economically Advantageous Tender, advice must be sought in advance from the Council's Procurement Service on the weighting of such criteria.

11. Advertising of Contracts

- 11.1 In terms of the Procurement Reform (Scotland) Act, the Public Contracts (Scotland) Regulations and retained EU law, the Council has a duty to ensure that contracts are procured in accordance with the principles of non-discrimination on grounds of nationality, equal treatment and transparency.

- 11.2 Contract opportunities that are subject to the requirements of the Procurement Reform (Scotland) Act or the Public Contracts (Scotland) Regulations must comply with the provisions relating to advertising of contracts set out in that legislation.

- 11.3 In relation to contract opportunities that are outside the scope of the requirements of the Public Contracts (Scotland) Regulations, and which therefore fall outside the

scope of Standing Order 11.2, the Executive Officer (in consultation with the Service Lead - Procurement) must assess, on a case by case basis, the degree of advertising necessary to ensure that the contract opportunity will be subject to open competition, will satisfy the requirements of the principles of non-discrimination on grounds of nationality, equal treatment and transparency, and will achieve best value for the Council.

- 11.4 All contract opportunities shall be advertised using the National Advertising Portal; unless a decision has been reached by reason of either Standing Order 3.9 or Standing Order 22 that the contract opportunity is to be awarded without advertising.

12. Tendering Procedures

- 12.1 Procurement exercises shall be carried out by electronic means, unless the Director – Place considers that there are substantial reasons for not doing so (in which case Standing Order 12.2 shall apply).
- 12.2 The procedures set out in Annex 1 to these Standing Orders shall apply in place of Standing Orders 13 to 17 (*Submission of Tenders to Post Tender Negotiations*) in respect of the submission, opening and acceptance of non-electronic Tenders and communication with Tenderers in respect of any Procurement Exercise undertaken by the Council by hard copy means.

 - 13.1.7 the award criteria and weightings to be used in the evaluation of Tenders received, which shall be based on the Most Economically Advantageous Tender, as assessed on the basis of criteria linked to the subject-matter of the contract and appropriate to securing Best Value for the Council. The award criteria and weightings must not be changed once agreed and published in the Contract Documents.

- 13.1.8 that the Council is not bound to accept the Most Economically Advantageous Tender received;
- 13.1.9 any specific requirements regarding verification and authentication of the Tender submission and the signature of the person making that submission, as the Director – Place may direct as being necessary and appropriate;

14.2 Where a Tender is late due to a failure or lack of availability of the electronic tendering platform, and which is not attributable to the Tenderer or as the case may be their agent, the express approval of the Director – Place shall be required to admit the Tender for consideration.

14.3 Late Tenders, save where these have by exception been admitted for consideration in accordance with Standing Order 14.2 above, must remain unopened. The Tenderer must be advised as soon as possible (and in any event within 2 working days of all other Tenders being opened) that if the late Tender is not re-called within 14 days it will be deleted. At the same time, the Tenderer should be informed why the Tender is not being considered.

Procedures for Commissioning of Health or Social Care Services

A. Introduction

- A.1 In accordance with Standing Order 3.9, the Contract Standing Orders shall apply to the procurement of contracts for Health or Social Care Services subject to the special procedures set out in this Annex.
- A.2 These procedures are intended to accord with and reflect the principles set down in the Statutory Guidance issued by Scottish Ministers in terms of the Procurement Reform (Scotland) Act 2014 as well as the Best Practice Guidance on the Procurement of Care and Support Services 2016 issued in terms of the Procurement Reform (Scotland) Act.
- A.3 The term 'Executive Officer' means in the context of these Annex 2 procedures either the Depute Chief Executive and Director – People, the Director – Place or the Director - Health and Social Care.

B. Governing Bodies (Care Inspectorate)

- B.1 Unless the Executive Officer approves otherwise on a case by case basis, all Contractors providing Health or Social Care Services under a contract with the Council must be registered with Care Inspectorate (or its statutory successor(s)) or any other relevant regulatory bodies that are a mandatory requirement to the service provision.

C. Procedures for Procuring Contracts for Health or Social Care Services

- C.1 In accordance with Standing Order 11.2, a contract for Health or Social Care Services that has an estimated value in excess of the UK Find a Tender Service (FTS) Threshold for Social and Other Specific Services must be procured by following a procedure that satisfies the Council's duties set out in the Public Contracts (Scotland) Regulations.
- C.2 In cases of procuring a contract for Health or Social Care Services that has an estimated value below the UK Find a Tender Service (FTS) Threshold for Social and Other Specific Services, the Executive Officer shall be responsible for deciding whether the particular contract is one which may be awarded without advertisement and competition, in accordance with section 12 of the Procurement Reform (Scotland) Act.
- C.3 In determining whether a contract for Health or Social Care Services may be awarded without advertisement and competition in terms of paragraph C.2, the Executive Officer shall take account of the individual circumstances of the contract, including the subject matter and estimated value of the contract, the specifics of the service sector concerned and the geographic location of the place of performance of the contract to identify firstly whether there is likely to be a cross-border interest in the contract. The Executive Officer, following consultation with the Service Lead - Procurement, may determine that there is no cross-border interest in the contract where:

- C.3.1 it can be demonstrated that the contract is of no interest to cross-border Contractors; and/ or
 - C.3.2 the total sum to be paid under the contract is so low that cross-border Contractors would not be interested in bidding for the contract; and/ or
 - C.3.3 the service is of such a specialised nature that no cross-border market of suitable Contractors exists; and/ or
 - C.3.4 advertising the contract would result in the loss of a linked service.
- C.4 Where the Executive Officer decides under paragraphs C.2 and C.3 above that a contract is likely to attract a cross-border interest, it should be procured by way of a competitive process and it will be advertised in accordance with Standing Order 11 unless the Executive Officer decides that there are special circumstances justifying a departure from that requirement. Such decisions will be taken on a case by case basis and advertising may not be required where, for example:
- C.4.1 the needs of the service user(s) concerned would be best met by a particular Contractor; and/ or
 - C.4.2 the existing Contractor(s) are the only Contractor(s) capable of delivering the service to meet the needs of the individual(s) concerned; and/ or
 - C.4.3 the nature of the service is such that it should not or cannot be adequately specified in advance because of the nature of the social care needs of the service user(s) concerned; and/ or
 - C.4.4 there are special circumstances such as ownership of land or property, geographic locations or particular skills or experience of Contractors of social care which limit the choice to one Contractor; and/ or
 - C.4.5 there are reasons of extreme urgency, brought about by unforeseen events which are not attributable to the Council.
- C.5 Where the Executive Officer decides under paragraphs C.2 and C.3 above that the principles of procurement from the Public Contracts (Scotland) Regulations do not apply to a contract for Health or Social Care Services, he/ she may also decide that Standing Order 12 shall not apply to that contract.
- C.6 The Executive Officer shall be required to maintain a list of all proposed contracts which he/ she decides do not require to be advertised on the basis of the determinations made under paragraphs C.2, C.3, C.4 or C.5 above. He/ she shall provide a copy of that list to the Elected Members once every 6 months. Any decisions taken under paragraphs C.2, C.3, C.4 or C.5, that neither advertising nor competition will be required for a particular contract shall be subject to review by the Executive Officer at regular intervals (and at least annually).
- C.7 The decisions (and subsequent review of those decisions) taken by the Executive Officer under this Annex 2 will all be fully documented. Any reasons for deciding that a proposed contract will not be advertised must be recorded and included on the list which is to go to the Elected Members under paragraph C.6.

C.8 In addition to demonstrating how Best Value will have been achieved, the contracting service will be responsible for evidencing the reasons referred to under paragraph C.6.
