While I am totally in favour of the proposals to upgrade the pavilion at the top of Victory Park Girvan two points concern me.

Victory Park is designated Common Good Land so I do not understand that any part of it is SA Council's right to lease land, or property.

I do see that a precedent will be created. Surely a free system exists for playing on the grass area, no one leases it. As for the Pavilion why does it have to be leased and not just given free on agreed terms and after 20 years the interested parties in 2040.s. will see to its upkeep.

Thank you for taking the time to provide comments. These will inform the Council's consideration of the proposed lease of common good land to Girvan Youth Football Club of the changing pavilion and adjacent land in Victory Park, Girvan.
