

# Success story

## Maybole Youth Theatre Group

We went to the Carrick centre every week for 10 weeks, we practiced sketches and songs for a performance we would do at the end of the ten weeks.

In the beginning it was a little scary as we didn't know the other young people from the other schools. On the first week we played team building games and this helped us get to know each other.

Sarah, Jacquii and Ryan were with us every week. Jacquii guiding us with the script and sketches, Ryan teaching us how to use the video recorder, lighting and sounds and Sarah supporting us to get our Dynamic Youth Award

Now we have performed our show, made new friends and learned a lot about the history of Maybole from the 500 timeline.

During the times we were at the Carrick centre we gained the skills and knowledge required to use the video recording equipment, lighting equipment and the green screen for photo editing. We also learned a lot about the last 500 years history of Maybole. Not it all but a little.
