### **BUSINESS**

#### **FIRST PART OF MEETING: WORKSHOP**

##### **What does Community Justice mean to you?**

What does Community Justice mean to you? Why should Community Justice matter to all services? Are partners aware of Community Justice legislation and what that means for them? What are the potential opportunities to improve the life chances of people caught up in the justice system in South Ayrshire? How will this benefit the wider community? How can partners work closer together to reduce reoffending?

This workshop will look to answer these questions, explain the changes to the Community Justice Ayrshire Partnership and explore opportunities for improved outcomes through closer alignment with Community Planning in South Ayrshire.
