**MAIN CURRENT FOCUS OF THE SDP**

The main focus of the group is to discuss the role of the SDP in driving changes in policy and practice to improve outcomes for the residents of Wallacetown.

**PROGRESS UPDATE (INCLUDING AREAS OF SUCCESS)**

Since the last meeting of the Community Planning Board, there has been 2 meetings of the SDP – 28<sup>th</sup> January and 15<sup>th</sup> March. Key areas of progress arising from this meeting includes:

**Wallacetown Operational Delivery Plan**

This plan has been developed to ensure appropriate governance and leadership is in place through the SDP and Operational Groups, to enable improved access to services and ensure better outcomes for people living in Wallacetown. The information below provides further detailed information on the SDP/Operational Group structure and purpose of the operational delivery groups – it has been agreed to include a fourth subgroup for the ‘Shaping Places for Wellbeing Programme’.

<b>GROUP</b>	<b>PURPOSE</b>	<b>LEAD OFFICER</b>
Connecting Communities Implementation	To build a strong, resilient and active community able to lead positive change.	Service Lead: Thriving Communities
Operational Delivery Implementation	To ensure service providers work much more closely in partnership to get the best support for people and improve the sense of place/	Wallacetown Co-ordinator
Wallacetown Vision Development	To provide best evidence to help inform decisions and spending on services and policies that can affect the health and wellbeing in Wallacetown.	Executive Director: Place
Shaping Places for Wellbeing Programme	Using a whole system, place based approach at a local level to focus on inequality and prevention, pulling together the work of a number of national ambitions, including the Public Health Priorities, Place Principles, 20 minute neighbourhoods and Christie Commission.	Health Improvement Lead

Regular update reports on the progress of activity within each of the subgroups is provided to the SDP on a regular basis by the Lead Officers. Some key areas of progress include:

- 'Spring Clean' environmental partnership initiative which ran week beginning 21<sup>st</sup> March;
- A multi-agency community engagement event held on the 26<sup>th</sup> March;
- Wallacetown Energy Plan proposals;
- Hit squad continuing to make progress in Wallacetown North; and
- A number of general and maintenance repairs undertaken including wall and rendering repairs, uplifting leaves and rubbish at several locations, graffiti removal, gutter cleaning and replacement.

**Wallacetown Improvement Strategy 2022 -2024**

The plan sets out how partners, including community members, will work together to adopt a public health approach to tackling inequalities and deprivation in Wallacetown. This preventative approach seeks to improve the health and safety of everyone by addressing underlying risk factors.

**Communications Plan**

A Communications Plan has been agreed by the SDP. The hashtag **#WorkingForWallacetown** will be used by all partner agencies when sharing information and promoting positive activities in Wallacetown on their respective social media channels in line with the agreed comms plan.

**KEY ISSUES**

- Further integration of frontline services
- Agreement on short term aims/objectives/action plans for the subgroups;
- Development of evaluation framework; and
- Continuous improvement framework to support lessons learned to direct change.
