9 Additional Information

(Refer to Note 8)

Notes

More detailed information is available in the Scottish Government's [Participation Request Guidance](#).

1. Specify the public service authority to who the request is being made. Please also include any additional public service authorities the community participation body believes should also participate in an outcome improvement process. The authorities to whom a request can be made are listed in Schedule 2 in the Community Empowerment (Scotland) Act 2015 these are:
 - A local authority
 - A health Board
 - The Board of management of a college of further education
 - Highlands and Islands Enterprise
 - A National Park Authority
 - Police Scotland
 - The Scottish Environmental Protection Agency
 - Scottish Enterprise
 - The Scottish Fire and Rescue Service
 - Scottish Natural Heritage
 - A regional Transport Partnership
2. Insert the name(s) of any other public service authority which the community participation body requests should participate in the outcome improvement process.
3. Specify an outcome that results from, or is contributed to by virtue of, the provision of a service provided to the public by or on behalf of the authority. An explanation of outcomes and examples can be found in section 3.44 below.
4. Set of the reasons why the community body believes it should participate in the outcome improvement process.
5. Provide details of any knowledge, expertise and experience the community body has in relation to the outcome specified under paragraph 3.
6. Provide an explanation of the improvement in the outcome specified under paragraph 3 which the community body anticipates may arise as a result of its participation in an outcome improvement process.
7. To make a participation request the Community Empowerment (Scotland) Act 2015 provides that certain bodies can do so. The community participation body should provide the necessary information to the public service authority to show that they are a valid body who can make a participation request.
8. Any other information in support of the participation request can be included in this section or attached separately should the community body wish to do so. It may be helpful for the community participation body to outline if they have

previously been in contact with the public service authority regarding the outcome. The community participation body may also want to provide information on any additional support they may require to be able to participate in an outcome improvement process.
