

SOUTH AYRSHIRE COUNCIL

**REPORT BY: DIRECTOR - PLACE
TO: REGULATORY PANEL - LICENSING
OF 16th June 2022**

**SUBJECT: ANNUAL INSPECTION AND SAFETY CERTIFICATES FOR THE
REGULATED STANDS AT AYR RACECOURSE**

1. Purpose

- 1.1 To advise the Panel of the outcome of the annual technical inspections at Ayr Racecourse, and to seek approval for the issue of revised Safety Certificates for the two stands.

2. Recommendations

2.1 It is recommended that the Panel:

2.1.1 agrees that the current Safety Certificates remain in force until 30th June 2022, provided that no adverse reports are received at the meeting; and

2.1.2 agrees that the revised Safety Certificates will come into force on 1st July 2022, for the period of one year.

3. Background

- 3.1 Ayr Racecourse is covered by the provisions of the Fire Safety and Safety of Places of Sports Act 1987. Part III of the Act applies to sports grounds which provide covered accommodation in stands for spectators but are not designated sports grounds in terms of the Safety of Sports Grounds Act 1975. Safety Certificates require to be issued for grandstands ("regulated stands"), which provide covered accommodation for 500 or more spectators.

- 3.2 Main guidance is given in the "Guide to Safety of Sports Grounds", the ("Green Guide"). Although the guide has no statutory force, its recommendations can be made statutory by their inclusion in Safety Certificates.

- 3.3 Ayr Racecourse currently has two grandstands which are classed as regulated stands, the Princess Royal (also known as the Club Stand) and the Eglinton Stand.

- 3.4 It should be noted that the Safety Certificates cover only the grandstands, their associated entrances and exits and the concourses in front of the stands. The Racecourse is not classified as a designated Sports Ground under the 1975 Act. The certificates do not cover the Eglinton Rooms, Rothesay Stand, Paddock area etc.
- 3.5 A revised Safety Certificate for the Princess Royal and Eglinton Stands at Ayr Racecourse were issued in June 2019. This certificate was extended due to the Covid 19 pandemic in June 2020 then again in June 2021. The current Certificate remains in force until 30th June 2022, unless withdrawn by the Council.
- 3.6 The Safety Certificates states that all assessments, surveys and reports required, should be completed by 28th February each year, with any remedial works carried out to the satisfaction of the Council by 31st May. It should be noted that an inspection is carried out prior to the Scottish National meeting, which attracts large attendances, is normally held in mid-April.

4. Proposals

Technical Reports

4.1 Building Standards Services, South Ayrshire Council

- 4.1.1 A visit was made to the Racecourse on 28th April 2022. It can be reported that all the required assessments, surveys, certification and reports are now in place, with the exception of, the Structural Certificate, which is signed off after the 2022 Maintenance Programme has been completed. The 2022 Maintenance Programme contains a number of minor items to be repaired, but no major concerns were noted and will be completed by the 30th June 2022.
- 4.1.2 No major developments affecting safety matters in the grandstands have been carried out over the past year.
- 4.1.3 The Scottish Grand National meeting was held on 2nd April 2022 and attracted an attendance of 12,817, and the Ayr Gold Cup meeting was held on the 18th September 2021 with an attendance of 11,267. No adverse reports specifically in relation to the grandstands were received about either meeting.
- 4.1.4 It should be noted that following the Grand National debrief this year there were issues raised by stakeholders including problems in relation to the exiting of the Racecourse following the event. We are currently working with various agencies including the Racecourse representatives to put measures in place to mitigate these issues prior to the Gold Cup race meeting in September.

4.2 Environmental Health Services, South Ayrshire Council

No adverse reports received.

4.3 Scottish Fire & Rescue

Consultations made awaiting comments.

4.4 Police Scotland

Consultations made awaiting comments.

4.5 Scottish Ambulance Service

Consultations made awaiting comments.

4.6 St Andrew's Ambulance Corps

Consultations made awaiting comments.

5. Legal and Procurement Implications

5.1 There are no legal implications arising from this report.

5.2 There are no procurement implications arising from this report.

6. Financial Implications

6.1 The cost of staff time spent on inspections and on the preparation of revised Safety Certificates was met from existing Planning and Building Standards revenue budget.

7. Human Resources Implications

Not applicable.

8. Risk Implications of adopting the recommendations.

8.1 Risk Implications of adopting the recommendations.

8.1.1 There are no risks associated with adopting the recommendations.

8.2 Risk Implications of rejecting the recommendations.

8.2.1 Rejecting the recommendations may impact on the reputation of the Council.

9. Equalities

9.1 The proposals in this report have been assessed through the Equalities Impact Assessment Scoping Process, and there are no significant potential positive or negative equality impacts of agreeing the recommendations and therefore an Equalities Impact Assessment is not required. A copy of the Equalities Scoping Assessment is attached as Appendix 1.

10. Sustainable Development Implications

10.1 Considering Strategic Environment Assessment (SEA) - This report does not propose or seek approval for a plan, policy, programme or strategy or document otherwise described which could be considered to constitute a plan, programme, policy or strategy.

11. Options Appraisal

11.1 An options appraisal has not been carried out in relation to the subject matter of this report.

12. Link to Council Plan

12.1 This work contributes to the Council's Strategic Objective of "maximising the potential of our communities" by creating a safer environment.

13. Results of Consultation

13.1 There has been no public consultation on the contents of this paper.

13.2 Consultation has taken place with SAC Environmental Health Services; Scottish Fire and Rescue; Police Scotland; Scottish Ambulance Service; and the St Andrews Ambulance Corps.

APPENDIX 1

South Ayrshire Council Equalities Scoping Template
1. Policy details

The 2022 Annual Inspection and the issuing of an extension of the Safety Certificates for the Regulated Stands at Ayr Racecourse	Lead Officer Hugh Talbot
--	-----------------------------

2. Which communities, groups of people, employees or thematic groups do you think will be, or potentially could be, impacted upon by the implementation of this policy? Please indicate whether these would be positive or negative impacts

Community, Groups of People or Themes	Negative Impacts	Positive impacts
The whole community of South Ayrshire	No	Yes
People from different racial groups, ethnic or national origin.	No	No
Women and/or men (boys and girls)	No	Yes
People with disabilities	No	Yes
People from particular age groups for example Older people, children and young people	No	No
Lesbian, gay, bisexual and heterosexual people	No	No
People who are proposing to undergo, are undergoing or have undergone a process to change sex	No	No
Pregnant women and new mothers	No	No
People who are married or in a civil partnership	No	No
People who share a particular religion or belief	No	No
Thematic Groups: Health, Human Rights, Rurality and Deprivation.	No	No

3. Do you have evidence or reason to believe that the policy will support the Council to:

General Duty and other Equality Themes	Level of Negative and/or Positive Impact (high, medium or low)
Eliminate discrimination and harassment faced by particular communities or groups	Positive – low Reduced discrimination of disabled
Promote equality of opportunity between particular communities or groups	Positive – low
Foster good relations between particular communities or groups	Positive – low
Promote positive attitudes towards different communities or groups	Positive – low Promotes inclusion in community life
Increase participation of particular communities or groups in public life	Positive – low
Improve the health and wellbeing of particular communities or groups	Positive – low Promotes inclusion in community life
Promote the human rights of particular communities or groups	Positive – low
Tackle deprivation faced by particular communities or groups	Positive – low

4. Summary Assessment

Is a full Equality Impact Assessment required? (A full EIA must be carried out on all high and medium impact policies)		YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>
Rationale for decision: The Annual Inspection and the introduction of revised safety certificates for the two regulated grandstands at Ayr Racecourse will improve safety for spectators using the facilities, but has no significant impact on the public in general.
