3. Minutes of Previous Meeting

The Minutes of the Meeting of South Ayrshire Licensing Board of 15 June 2022 (issued) were submitted.

Decided: to approve the Minutes of the previous meeting.

4. Annual Functions and Financial Report

There was submitted a report (issued) of 22 July 2022 by the Depute Clerk to the Licensing Board providing the Board Members with a summary of Annual Functions and Finances of the South Ayrshire Council Licensing Board over the period of 31 March 2021 to 1 April 2022. The Depute Clerk to the Licensing Board gave a verbal update of the report;

The Board, having thanked the Depute Clerk to the Licensing Board for her update,

Decided: to approve the report.

5. Update by Licensing Standards Officer

The Licensing Standards Officer advised:

- (1) That, over the Summer months the number of Occasional Licence applications had increased, with Weddings and events now back to a regular routine and many galas and local agricultural shows returning.
- (2) Regular applications for Occasional Licences are being received from Members Clubs holding functions and events, aimed at attracting non-members to the premises. The Licensing Standards Officer stated that these applications tied in with a recent project she had carried out by visiting Members Clubs in South Ayrshire to provide information and guidance on the requirements of a members club licence and to ensure that any premises who were not complying with this either changed the way they were operating or made plans to vary their licences accordingly in the future. The Licensing Standards Officer highlighted the significance of the task as since opening post-covid it was apparent that many members clubs had become more of a community facility than a members focused club and were therefore aiming their premises and events at a wider audience than their licence currently permits.
- (3) Board Members can expect to see variation applications over the next few months from premises who are considering how they will be operating for the future.
- (4) With regards to on sales premises, there is a significant issue of staffing with a large majority of premises having to consider reduced opening hours and days due to a lack of available staff. This is proving particularly challenging for premises who are catering for larger events or later nights when larger staffing numbers are required.
- (5) Lastly, energy price rises are having an effect on all industries and the licensed trade are currently considering how best to manage the projected rise in costs. The Board may expect more applications to vary premises licences in the coming months as the licensed trade consider their individual target market instead of catering to a full-time provision

The Board, having thanked the Licensing Standards Officer for her update,

Decided: to note the report.

6. Update on The Carrick, Maybole, as requested by Licensing Standards Officer

The Licensing Standards Officer gave a verbal update of the report and advised that;

- (1) The Carrick premises closed for a period of time to allow for staff re-training.
- (2) The premises licence was transferred to Sandi Graham in June 2022.
- (3) Sandi Graham was advised by the licensing section at Police Scotland of her requirements as a premises licence holder.
- (4) Sandi Graham advised that she is now in complete control of the social media page for the premises and would therefore ensure any advertising, videos or broadcasts would be checked before being shared online.

The Board, having thanked the Licensing Standards Officer for her update,

Decided: to note the report.

7. Revocation of Personal Licences

There was submitted a report (issued) of 10 August 2022 by the Clerk to the Licensing Board advising the Board of revocation of personal licences.

Decided: to note the terms of the report.

**REPORT BY THE CLERK
TO THE LICENSING BOARD
OF 22 SEPTEMBER 2022**

Subject: Revocation of Personal Licences

1. Purpose

To advise members on the revocations of personal licences.

2. Recommendation

To note the terms of the report

3. Background

The Licensing (Scotland) Act 2005 introduced personal licences. It is a condition of the personal licence that (a) the applicant undertakes refresher training within five years of the date of issue of the licence and (b) no later than 3 months after the expiry of five years from the date of issue produces evidence of the training to the Board. Failure to complete either part of the process means that the Board must revoke the personal licence. (Licensing (Scotland) Act 2005 section 87(3))

4. Current Position

Since the last report to the Board, a further 29 personal licences as per appendix 1 have been revoked under delegated powers. All licence holders affected have been advised by post to their last known address of the revocation of their licences. Revoked licence holders can still take refresher training and then reapply for another personal licence although there is a cost of £50 for the new application. (There is no fee payable if the refresher training is completed and intimated to the Board on time.)
