Report by
Place Directorate
to Regulatory Panel of 22 September 2022

Subject: Public Access Exemption Order: Prestwick Golf Course 150th Open 2022

1. Purpose

- 1.1 This report seeks authority to undertake a public consultation, regarding a proposed temporary public access exemption order for an area of land affected by the Prestwick Golf Course 150th Open 2022.

2. Recommendation

2.1 It is recommended that the Panel:

- 2.1.1 Approves the commencement of a public consultation on the proposed temporary public access exemption order under Section 11(1) of the Land Reform (Scotland) Act 2003, for land at Prestwick Golf Course and the right of way (SKC 35), as set out in Appendix 1.**

3. Background

- 3.1 There exists a public right of responsible access to most land in Scotland, including golf courses, but with the exception of golf greens. The right of responsible access is exercisable over Prestwick Golf Course (the Course). A right of way (SKC35) also runs over the course, from Seagate to Prestwick shore (see plan forming Appendix 1).
- 3.2 Councils can make orders temporarily exempting specific areas of land from access rights (exemption orders). Government guidance suggests exemption orders should be made for health and safety or security reasons, or to permit the charging of a fee for entry to an event. The Council has made a number of exemption orders to facilitate the staging of major public events.
- 3.3 The Prestwick Golf Course 150th Open 2022 is to be held over the Course from **10th October 2022 to 23rd October 2022** inclusive. Prestwick Golf Club has requested that the Council makes an access exemption order for this period to facilitate the safe and successful staging of the event, covering the Course itself, as well as the right of way which crosses it. The period for which the exemption is sought exceeds 6 days in duration.

- 3.4 Orders effective for 6 or more days must be the subject of prior public consultation and must be confirmed by the Scottish Ministers.
- 3.5 The Council's approved Scheme of Delegation delegates power to the Director - Place to make access exemption orders covering periods of less than 6 days. As the proposed orders cover periods of more than 6 days (see appendix 1), approval is required from this Panel for public consultation on the proposed order.

4. Proposals

- 4.1 Prestwick Golf Club has requested that access rights exemptions apply over the land and route, for the dates specified, indicated on the attached plan forming Appendix 1.
- 4.2 For the period during which the relevant exemption order is in force, an alternative route for the right of way will be available around the edge of the area covered by the Order (as indicated on the plan forming Appendix 1).
- 4.3 After the expiry of the period for public consultation (the Local Access Forum, and the local elected members for this ward, have already been consulted), Panel will be asked to consider any representations made on the proposed Order and for their agreement to make the Order. The access exemption order will then be submitted to the Scottish Ministers for confirmation. Assuming the Ministers confirm the Order, a further public notice (of confirmation) will be published in the local press and on the Council's web site, in compliance with the legislation.

5. Legal and Procurement Implications

- 5.1 The recommendations in this report are consistent with legal requirements (the relevant provisions of the Land Reform (Scotland) Act 2003).
- 5.2 There are no procurement implications arising from this report.

6. Financial Implications

- 6.1 Costs associated with undertaking the public consultation and making the access exemption order can be met from existing Planning budgets but will be recoverable from the Prestwick Golf Club as event organiser. There will be no ongoing financial commitments arising from this report.

7. Human Resources Implications

- 7.1 There are no human resource implications arising directly from the recommendation of this report.

8. Risk

8.1 Risk Implications of adopting the recommendations.

There is a risk access takers visiting the area may be unaware the Course and right of way across it have been exempted temporarily from access rights. This will be mitigated by publishing notices of the exemption orders in the local press and on the Council's web site, and by erecting signage on site.

8.2 Risk Implications of rejecting the recommendations.

Rejecting the recommendation to undertake the public consultation would mean that the order could not be made, which could jeopardize the staging of the Prestwick Golf Course 150th Open 2022. There could also be a health and safety risk associated with not creating the order, in that members of the public could attempt to access the Course during the golf event.

9. Equalities

9.1 The proposals in this report have been assessed through the Equality Impact Assessment Scoping process. There are no significant potential positive or negative equality impacts of agreeing the recommendations and therefore an Equalities Impact Assessment is not required. A copy of the Equalities Scoping Assessment is attached as Appendix 2.

10. Sustainable Development Implications

10.1 ***Considering Strategic Environmental Assessment (SEA)*** - This report does not propose or seek approval for a plan, policy, programme or strategy or document otherwise described which could be considered to constitute a plan, programme, policy or strategy.

10.2 The recommendation of this report will have no significant environmental benefit or cost.

11. Options Appraisal

11.1 An options appraisal has not been carried out in relation to the subject matter of this report.

12. Link to Council Plan

12.1 The matters referred to in this report contribute to the Council strategic objective of 'Maximising the Potential of our Local Economy and within that to the outcome 'tourism, culture and heritage opportunities are developed and promoted.

13. Results of Consultation

- 13.1 There has been no public consultation on the contents of this report. However, if Panel agrees the recommendation, public notice of the Council's intention to make the proposed access exemption order will be given by publication in the local press and on the Council's website, with a period allowed for the receipt of objections or representations, as required by the Land Reform (Scotland) Act 2003). Councillors Ian Cochrane, Hugh Hunter, Martin Kilbride and Cameron Ramsey, as members for the Prestwick ward, and the South Ayrshire Local Access Forum, were consulted on the proposed exemption order, and have expressed no objection to it. The landowner, Prestwick Golf Club, will also be consulted regarding the proposed order.
- 13.2 Consultation has taken place with Cllr. Alec Clark, Portfolio Holder for Tourism, Culture and Rural Affairs, and he has expressed no objection to the proposed order.

14. Next Steps for Decision Tracking Purposes

- 14.1 If the recommendation above is approved by Members, the Service Lead Planning & Buildings Standards will ensure that all necessary steps are taken to ensure full implementation of the decision, with the completion status reported to the next Regulatory Panel.

South Ayrshire Council Equality Impact Assessment Scoping Template

Equality Impact Assessment is a legal requirement under the Public Sector Duty to promote equality of the Equality Act 2010. Separate guidance has been developed on Equality Impact Assessment's which will guide you through the process and is available to view here: <https://www.south-ayrshire.gov.uk/equalities/impact-assessment.aspx>

Further guidance is available here: <https://www.equalityhumanrights.com/en/publication-download/assessing-impact-and-public-sector-equality-duty-guide-public-authorities/>

The Fairer Scotland Duty ('the Duty'), Part 1 of the Equality Act 2010, came into force in Scotland from 1 April 2018. It places a legal responsibility on Councils to actively consider ('pay due regard to') how we can reduce inequalities of outcome caused by socio-economic disadvantage, when making strategic decisions. FSD Guidance for Public Bodies in respect of the Duty, was published by the Scottish Government in March 2018 and revised in October 2021.
