The Board must, in considering and determining the application consider whether any of the grounds for refusal applies and-

- (A) if none of them applies, the Board must grant the application, or
- (B) if any of them applies, the Board must refuse the application.

The grounds for refusal are—

- (a) that the subject premises are excluded premises. Excluded premises are defined as premises used as a garage or which form part of premises which are so used. Premises are used as a garage if they are used for one or more of the following-
- (b) the sale by retail of petrol or derv
- (c) the sale of motor vehicles, or
- (d) the maintenance of motor vehicles
  - However, premises used for the sale by retail of petrol or derv, or which form part of premises so used, are not excluded premises if persons resident in the locality in which the premises are situated are, or are likely to become , reliant to a significant extent on the premises as the principal source of -
  - (i)petrol or derv, or
  - (ii)groceries (where the premises are, or are to be, used also for the sale by retail of groceries).
- (C) that the application must be refused under section 25(2), 64(2) or 65(3),
- (D) that the Licensing Board considers that the granting of the application would be inconsistent with one or more of the licensing objectives,
- (E) that, having regard to-
- (i) the nature of the activities proposed to be carried on in the subject premises,
- (ii) the location, character and condition of the premises, and
- (iii) the persons likely to frequent the premises,
- the Board considers that the premises are unsuitable for use for the sale of alcohol,
- (e) that, having regard to the number and capacity of-
- (i) licensed premises, or
- (ii) licensed premises of the same or similar description as the subject premises,
- in the locality in which the subject premises are situated, the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of that description, in the locality.
