4. Update by Licensing Standards Officer

The Licensing Standards Officer advised:

- (1) That, traditionally, the festive season is the busiest time of year for all Licensed premises in South Ayrshire and preparation is underway. Off sales are currently fully stocked with alcohol and all alcohol capacity is being used as shown on premises licences, which may at other times of year, be occupied by soft drinks. The Licensing Standards Officer stated that she had been undertaking visits at all premises to carry out a visual check of the area ensuring that displays comply with the requirements in relation to operating plans.

- (2) On sales premises are able to open later throughout the month of December as a seasonal variation on their operating plan. The Licensing Standards Officer highlighted that she has been working with colleagues in Police Scotland to ensure a list is compiled with the latest opening hours shown so that this can be shared with officers working over the festive period. She stated that following the Board's decisions on the licensing applications today, this information will be available in full.
- (3) The Licensing Standards Officer said that a successful Licensing Seminar had been held earlier this month at Craig Tara. Over 90 delegates attended and feedback was positive with everyone pleased that the event was held in person as opposed to on the internet. Licence holders from all parts of South Ayrshire attended and partner agencies and local training providers had information stalls and were able to talk to the local trade. The Licensing Standards Officer noted that following all presentations, it was pleasing to note a queue of people waiting to speak to the Police Scotland and Environmental Health representatives.
- (4) The Licensing Standards Officer gave thanks to Scott Smith and Edward Witham and all staff at Craig Tara for their hospitality and for allowing the event to be provided at no cost to South Ayrshire Council or the licensed trade.

DRAFT

SOUTH AYRSHIRE COUNCIL

**REPORT BY THE CLERK
TO THE LICENSING BOARD
OF 16 JANUARY 2023**

Subject: Revocation of Personal Licences

1. Purpose

To advise members on the revocations of personal licences.

2. Recommendation

To note the terms of the report

3. Background

The Licensing (Scotland) Act 2005 introduced personal licences. It is a condition of the personal licence that (a) the applicant undertakes refresher training within five years of the date of issue of the licence and (b) no later than 3 months after the expiry of five years from the date of issue produces evidence of the training to the Board. Failure to complete either part of the process means that the Board must revoke the personal licence. (Licensing (Scotland) Act 2005 section 87(3))

4. Current Position

Since the last report to the Board, a further 28 personal licences as per appendix 1 have been revoked under delegated powers. All licence holders affected have been advised by post to their last known address of the revocation of their licences. Revoked licence holders can still take refresher training and then reapply for another personal licence although there is a cost of £50 for the new application. (There is no fee payable if the refresher training is completed and intimated to the Board on time.)

Address	Capacity
The Bracken Bar Heads Of Ayr Caravan Park Ayr	250 persons

The Board must, in considering and determining the application consider whether any of the grounds for refusal applies and-

- (A) if none of them applies, the Board must grant the application, or
- (B) if any of them applies, the Board must refuse the application.

The grounds for refusal are—

- (a) that the subject premises are excluded premises. Excluded premises are defined as premises used as a garage or which form part of premises which are so used. Premises are used as a garage if they are used for one or more of the following-
- (b) the sale by retail of petrol or derv

(e) that, having regard to the number and capacity of—

- (i) licensed premises, or
- (ii) licensed premises of the same or similar description as the subject premises, in the locality in which the subject premises are situated, the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of that description, in the locality.

The Board must, in considering and determining the application consider whether any of the grounds for refusal applies and-

- (A) if none of them applies, the Board must grant the application, or
(B) if any of them applies, the Board must refuse the application.

The grounds for refusal are—

- (a) that the subject premises are excluded premises. Excluded premises are defined as premises used as a garage or which form part of premises which are so used. Premises are used as a garage if they are used for one or more of the following-
- (b) the sale by retail of petrol or derv
(c) the sale of motor vehicles, or
(d) the maintenance of motor vehicles

However, premises used for the sale by retail of petrol or derv, or which form part of premises so used, are not excluded premises if persons resident in the locality in which the premises are situated are, or are likely to become , reliant to a significant extent on the premises as the principal source of –

- (i) petrol or derv, or
(ii) groceries (where the premises are, or are to be, used also for the sale by retail of groceries).

(C) that the application must be refused under section 25(2), 64(2) or 65(3),

(E) that, having regard to—

- (i) the nature of the activities proposed to be carried on in the subject premises,
(ii) the location, character and condition of the premises, and
(iii) the persons likely to frequent the premises,

the Board considers that the premises are unsuitable for use for the sale of alcohol,

(e) that, having regard to the number and capacity of—

- (i) licensed premises, or
(ii) licensed premises of the same or similar description as the subject premises,
in the locality in which the subject premises are situated, the Board considers that, if the application were to be granted, there would, as a result, be overprovision of licensed premises, or licensed premises of that description, in the locality.

Nan Li– Blairquhan Castle, Straiton
Occasional Licence Application – 4th to 6th April 2023
Report by Licensing Standards Officer

I refer to the Occasional Licence application made for a 'Wedding' in the public rooms and grounds of Blairquhan Castle at Straiton.

The application is for a group of around 100 guests who will be staying at the Castle and in the surrounding area from Tuesday 4th until Thursday 6th April 2023. The Occasional Licence is to allow those who wish to have the option of alcoholic refreshment from 3pm until 12midnight on Tuesday and from 12noon until 1am on the Wednesday, extending to the Thursday morning.

The terminal hour of 1am is not able to be granted under delegated powers according to the Board's current policy statement and thus the application has to be considered at a Licensing Board meeting.

Members will be aware of the pattern of Occasional Licences which have been applied for by this venue over the past few years with a 1am close and I am not aware of any complaints or issues as a result.

Considering the above and the rural location of the venue I do not believe the grant of this licence would be contrary to any of the licensing objectives.
