Ultimate Leisure Ltd – Vinyl, Boswell Park, Ayr
Extended Hours Application – 30th April 2023
Report by Licensing Standards Officer

I refer to the Extended Hours application submitted for the above premises which is situated in Boswell Park in Ayr which is a mainly commercial area.

The application requests a terminal hour of 3.30am on Sunday 30th April 2023 and refers to 'an event of local or national significance' with the reason given as 'Early Bank Holiday Sunday'.

At the Board meeting of 16th January 2020, the Board agreed a report regarding Extended Hours which gave a list of events that in the opinion of South Ayrshire Licensing Board, were of local or national significance and 'Sunday of Early May Day Holiday' was on the list.

These premises have enjoyed late opening for this reason for a number of years.

This application requests Extended Hours for one day only which is the day before holiday Monday 1st May, which has been identified by the Board, and I therefore have no objections.

Thisway Scot Ltd – Skinny Malinkys, Arthur Street, Ayr
Extended Hours Application – 29th April 2023
Report by Licensing Standards Officer

I refer to the Extended Hours application submitted for the above premises which is situated in Arthur Street in Ayr.

The application requests a terminal hour of 3.30am on Saturday 29th April 2023 and refers to 'an event of local or national significance' with the reason given as 'Ayr Pavilion Festival After Party'.

Members will be aware of the two day music festival that is coming to Ayr Low Green on 29th & 30th April for which the organiser has applied for an Occasional Licence until 10.30pm. The applicant for this Extended Hours request, seeks an additional hour to take advantage of what they anticipate to be a huge crowd that will be keen to continue to party following the end of the music festival and will come to the main town centre area where they are located.

The applicant also advises that some of the DJ's who will play at their venue are unable to attend until after 10pm and therefore they will need the additional trading time to make the most of the performers.

The Board granted similar requests to other premises in the area at the March Board meeting, however the organiser of the 'festival' has since made it clear at various multi-agency meetings that they have no arrangements or tie-in with ANY venues in South Ayrshire and in fact are/will continue to promote an 'after party' at a venue in Glasgow in order to ensure revellers leave the area promptly to take advantage of transport.

However, considering the above and the fact that the 'music festival' on Ayr low green has attracted both local and national press attention and is attracting a significant number of people to the area, and for consistency in relation to applications that have already been granted by the Board for this event, I am satisfied the application meets the criteria of an event of local or national significance.

I therefore have no objections to the grant of the Extended Hours as requested.

Elizabeth Brown – Westcliffe Hotel, Girvan
Extended Hours Application – 28th – 30th April 2023
Report by Licensing Standards Officer

With regards to the extended hours applied for by any premises in Girvan, for the weekend of the local Folk Festival, I would offer the following comments.

It is usual practice for the Board to allow an additional hour's trading for such an event which would allow the majority of premises the ability to open until 1.30am on Friday and Saturday and 1.00am on Sunday, with many having been open from 10am.

These particular premises currently enjoy a trading hour until 12.30am on a Friday and Saturday and 12 midnight on a Sunday. The terminal hour requested of 2am amounts to 1 ½ additional hours on a Friday and Saturday and 2 hours on a Sunday which is outwith what can be granted under delegated powers.

As the festival is an annual event and one which has caused us no previous concerns with regard to licensing, I would offer no objections to premises being permitted the same hours as in previous years. I can confirm that in 2022 these premises were granted an additional hour under delegated powers as that was the first time the festival had been held post-covid. However in 2019 (and the years prior) these premises were granted a terminal hour of 2am and no negative feedback was received by Licensing services as a result. I therefore have no objections to the grant of the additional hours as requested.
