Occasional Licence Application – 8<sup>th</sup> August 2023  
Report by Licensing Standards Officer

I refer to the Occasional Licence application made for a Wedding to be held in the public rooms and grounds of Blairquhan Castle at Straiton.

The application is for a Wedding Celebration which will begin at 12noon on Tuesday 8th August and extend until 1am the following morning.

The terminal hour of 1am is not able to be granted under delegated powers and thus the application has to be considered at a Licensing Board meeting.

Members will be aware of the pattern of Occasional Licences which have been applied for by this venue over the past few years with a 1am close and I am not aware of any complaints or issues as a result.

Considering the above and the rural location of the venue I do not believe the grant of this licence would be contrary to any of the licensing objectives.
