

South Ayrshire Council

**Report by Head of Legal and Regulatory Services
to Audit and Governance Panel
of 6 September 2023**

Subject: Strategic Risk Management

1. Purpose

1.1 The purpose of this report is to update Members on the reviewed Strategic Risk Register (Appendix 1) in line with the agreed reporting framework.

2. Recommendation

2.1 It is recommended that the Panel:

2.1.1 considers the reviewed Strategic Risk Register (Appendix 1) updated by Chief Officers; and

2.1.2 notes the 14 key risks and endorses the work currently being undertaken or proposed by risk owners to mitigate these risks.

3. Background

3.1 The Strategic Risk Register is reported in accordance with the framework within the Corporate Risk Management Strategy.

3.2 The Strategic Risk Register was last reported to the Audit and Governance Panel of 22 March 2023 for scrutiny and to Cabinet on 25 April 2023 for endorsement.

3.3 Risk Management is also undertaken at Directorate level and within the Health and Social Care Partnership.

4. Proposals

4.1 The Strategic Risk Register has been reviewed by Chief Officers / Risk Owners and updates provided on progress against implementation of proposed risk mitigations. Risks are referenced against the themes of Governance, Protection and Resources. 14 Strategic Risks are managed and these are listed as follows:

	<i>Risk</i>	<i>Theme</i>
1.	Decision Making and Governance	Governance
2.	External Factors including Contingency Planning	Governance

	<i>Risk</i>	<i>Theme</i>
3.	Strategic Planning	Governance
4.	Integrity	Governance
5.	Internal Audit Actions	Governance
6.	Child and Adult Protection	Protection
7.	Public/ Employee Protection	Protection
8.	Sustainable Development and Climate Change	Protection
9.	Financial Inclusion	Protection
10.	Ash Tree Die Back	Protection
11.	Financial Constraints	Resources
12.	Employee Absence	Resources
13.	ICT – Digital Resilience, Protection and Capability	Resources
14.	Management of Assets	Resources

- 4.2 Full detail of strategic risk management arrangements is provided within the register (Appendix 1). Ownership is assigned to ensure there is clear accountability and responsibility in terms of risk management. The cause, potential effect, risk score and current mitigations are also recorded.
- 4.3 Unless considered ‘ongoing’ throughout the life of the risk register, proposed risk mitigations have a target completion date and their progress is outlined by use of a percentage completion bar in the report. A status icon is also included which indicates whether or not the specific initiative is on target.
- 4.4 Members are requested to note that the Health and Social Care Partnership (HSCP) provide information on the risk management of Child and Adult Protection within the Council’s Strategic Risk Register. HSCP also develop and report on wider Partnership risk issues within their own bespoke Strategic Risk Register which is provided for scrutiny to the HSCP Performance and Audit Panel. A link to the HSCP’s risk register is provided on pages 7 and 8 of Appendix 1.
- 4.5 The removal of the former ‘Workforce Planning ‘ risk was requested following the approval and implementation of the South Ayrshire Council Workforce Plan 2022-2025. The Corporate Leadership Team agreed to ensure a consistent workforce planning approach across all Services and the workforce planning template is also embedded within Service Plans. Any residual workforce planning risks identified within specific Service areas are noted and managed within Directorate Risk Registers.
- 4.6 It has also been considered appropriate by the Head of Finance, ICT and Procurement to increase the risk rating as reflected within the Financial Constraints Risk 11 (page 13) which is acknowledged to be caused by UK and Scottish Government reductions in funding over a number of years and the impact of inflation on the Council cost base.

4.7 Members are requested to note that Chief Officers regularly consider new or emerging risks and there is a process whereby significant operational risks, managed at directorate level, can be elevated to strategic level as required.

4.8 It is proposed that Members consider the strategic risk management arrangements outlined within this report and be assured that there is a robust system in place for identifying and managing those threats which could have a significant impact on the successful delivery of the Council's objectives.

5. Legal and Procurement Implications

7.1 There are no human resource implications associated with the recommendations in this report.

8. Risk

8.1 Risk Implications of Adopting the Recommendations

8.2 Risk Implications of Rejecting the Recommendations

8.2.1 Rejecting the recommendations may give rise to external criticism, breach of statute or legal challenge.

9. Equalities

9.1 The proposals in this report allow scrutiny of performance. The report does not involve proposals for policies, strategies, procedures, processes, financial decisions and activities (including service delivery), both new and at review, that affect the Council's communities and employees, therefore an equality impact assessment is not required.

Reduction in emissions not achieved to 1.5 degrees scenario therefore accelerating the pace of climate change. United Nations Sustainable Development Goals not adequately addressed. South Ayrshire may not be resilient. Effect may be further detriment to those already disadvantaged, increasing inequalities and exacerbating deprivation. Communities may be unprepared for a low carbon future.	 4 x 2 = 8	1. Council approved Sustainable Development and Climate Change Strategy 2. Baseline data on Sustainable Development and Climate Change now assembled to allow future progress to be measured. 3. Proposals endorsed by the MOWG agreed at Cabinet and assigned for implementation. 4. Carbon budgeting in place.
