South Ayrshire
Licensing Report
2022-2023

OFFICIAL NOT PROTECTIVELY MARKED

Foreword

It gives me great pleasure to provide the Annual Licensing Report for 2022/23, in accordance with Section 12(A) Licensing (Scotland) Act 2005.

Police Scotland has continued to achieve success by focussing on prevention, early intervention and enforcement. This has been made far more effective with the continued support of the many active partnerships that exist within the 32 Local Authorities across Scotland.

This collaborative working is vital to ensuring a fair and consistent approach to licensing while focussing on preventing alcohol fuelled violence, disorder and antisocial behaviour.

In the year ahead our approach will remain focused on prevention and collaboration to ensure efficient and effective service delivery. I will continue to encourage officers and staff to utilise the range of options available to improve licensing standards, reduce violence and to positively influence behaviour and attitudes across Scotland.

I would like to take this opportunity to thank our local partnerships and acknowledge their contribution in continuing to drive improvements with the Licensed Trade, and for the communities we all serve.

Sir lain Livingstone QPM

Chief Constable

Police Service of Scotland

NOT PROTECTIVELY MARKED

Police Scotland Licensing Overview

The Violence Prevention and Licensing Co-ordination Unit (VPLCU) sits within Partnerships Prevention & Community Wellbeing based at Dalmarnock Police Station, Glasgow.

The VPLCU upholds the two tier structure for licensing which supports both national and local priorities through service delivery. They have overall responsibility for determining and delivering national licensing strategy and policy, by providing advice, guidance and support to divisional licensing teams as well as undertaking other specialist functions.

The Violence Prevention and Licensing Co-ordination Unit is a specialist department which consists of a small team of officers, based in Glasgow. The officers within the unit work with divisional licensing teams and partner agencies to help shape policy and strategy around the police licensing function. They provide practical and tactical advice to police licensing practitioners, operational officers, supervisors and policing commanders.

The VPLCU seek to ensure that legislation governing the sale and supply of alcohol is applied consistently across the country and all opportunities are taken to stop the illegal or irresponsible sale, supply or consumption of alcohol with the intention of preventing and reducing crime and disorder.

During 2022/2023, from a licensing perspective, our particular focus was on the following;

- Scrutiny of the serious incidents of violence, disorder and antisocial behaviour linked to licensed premises.
- Governance and ongoing development of the National ICT Licensing System, known as "Inn Keeper", to increase the efficiency and effectiveness of liquor and civic licensing administration and management. Police Scotland are currently working on upgrade to the National ICT system to ensure compliance with GDPR legislation.

Each of the 13 Local Policing Divisions have a licensing team responsible for the day to day management of licensing administration, complying with statutory requirements as well as addressing any issues that may arise within licensed premises in their local area.

LICENSING BOARD AREA

The Licensing Board area is policed by South Ayrshire Sub-Division. Chief Superintendent Faroque Hussain is the Local Police Commander who has the responsibility for all day-to-day policing functions.

NOT PROTECTIVELY MARKED

Senior Officers

The senior officers who hold responsibility for licensing within the area of South Ayrshire are as follows:

Chief Inspector Kevin Lammie Area Commander

Inspector Barry McNaught Head of the Licensing Department

Sergeant Sheryl Syme Licensing Department

Local Policing Priorities

Following our public consultation process, the policing priorities for South Ayrshire Sub-Division as set out in our Local Policing Plan are as follows:

- Serious and Organised Crime
- Safer Communities
- Acquisitive Crime
- Community Wellbeing
- Road Safety

Description of Board Area

There are a total of 397 Licensed Premises in South Ayrshire:

106 On-Sales 171 On/Off Sales 120 Off-Sales

OPERATION OF THE LICENSING (SCOTLAND) ACT 2005

Introduction

Alcohol pervades across a wide range of issues in our society and, as you know, is often a factor in violence, domestic abuse and anti-social behaviour; incidents that the Police Service of Scotland deals with every day in each area of the country. Therefore, licensed premises are carefully monitored with all incidents in and around such premises scrutinised to ensure compliance with the licensing objectives, resulting in a greater knowledge and understanding of potential problematic premises.

A problem solving approach is implemented in conjunction with the Premises Licence Holder and Designated Premises Managers. Premises that continue to fall below expected standards can be subject of formal police interventions and in some cases, a review being submitted to the Licensing Board.

Ayrshire Divisional Licensing Department utilises the Innkeeper database to highlight monitored and problematic premises, this allows our officers to focus their attention on the premises requiring the most support and attention.

OFFICIAL NOT PROTECTIVELY MARKED

Board Decisions

Application for a Premise Licence

In the South Ayrshire board area during the reporting year, there have been no premises licence objections submitted to the South Ayrshire Licensing Board by Police Scotland.

Application for Review of Licence

In the South Ayrshire board area during the reporting year, there have been no premises licence reviews submitted to the South Ayrshire Licensing Board by Police Scotland.

Variation to a Premise Licence

During the reporting year, there have been no objections to variations of a licenced premise licence submitted to South Ayrshire Licensing Board by Police Scotland.

Personal Licences

Personal licences are carefully considered by Ayrshire Division Licensing in line with policy and legislation before being returned to the local authority. In the reporting year, there have been no personal licence objections submitted to South Ayrshire Licensing Board.

Personal Licence Reviews

During the reporting year, there have been no Personal Licence reviews submitted to South Ayrshire Licensing Board.

Formal Police Interventions

Our focus is to improve the safety and wellbeing of people, places and communities in South Ayrshire by focusing on keeping people safe. This is done by local officers who are proactively identifying and addressing concerns regarding licensed premises at an early stage. Through early intervention and working in partnership with Designated Premise Managers and Premise Licence Holders, areas of concern have been successfully resolved without the requirement for a premises or personal licence review.

These agreements are entered into between Premises Licence Holders and Police Scotland and set out areas in which improvement could be made. Each agreement is monitored and reviewed within a specific timescale to ensure that the necessary improvements have been implemented.

NOT PROTECTIVELY MARKED

The formal intervention process should result in an improvement in standards and practices. The process also ensures that Police Scotland utilises a fair and evidence based approach prior to pursuing a formal review of a premises licence if agreed terms are not being complied with or if there are recurring issues.

We can report that there have not been any Formal Police Interventions issued within the South Ayrshire Board Area.

PREVENTING THE SALE OR SUPPLY OF ALCOHOL TO CHILDREN OR YOUNG PEOPLE

In South Ayrshire there have been no reports submitted to the Procurator Fiscal for contravention of Section 102 of the Licensing (Scotland) Act 2005, which relates to the sale of alcohol to a child or young person.

Locality Policing and campus officers are exploring the possibilities of returning the Test Purchase Scheme that was previously delivered and was an effective tool to address such issues when they were identified within our communities.

TACKLING SERIOUS AND ORGANISED CRIME

Serious and Organised Crime (SOCG) presents a clear threat to the Ayrshire Licensing trade and legitimate economy. As a result, Ayrshire Division continues to target known criminality in this area as well as attempting to reduce the opportunity for individuals to exploit legitimate licensing opportunities for their own illegitimate means.

Licensing staff work closely with Divisional Intelligence teams to explore intervention opportunities against Serious and Organised Crime Groups.

At this current time, there are 5 Serious Organised Crime Groups being managed by Ayrshire Division with this group having a known interest in a business requiring some form of licence to operate. Not all groups are based in South Ayrshire but they all operate on a pan-Ayrshire basis.

This involvement in the licensing trade is often a direct result of the expertise or experience of an individual from their group in that business sector, and/or the chosen business, providing an ability to launder criminal proceeds.

Officers in South Ayrshire continue to carry out targeted premises visits whenever possible to ensure that all license conditions are being complied with. Such visits will also involve a range of partner agencies including;

HMRC, DVSA, DVLA, Scottish Power, SEPA, South Ayrshire Council, SIA and others.

Within South Ayrshire, continued scrutiny of problematic premises has in the past had positive results. Licensed premises throughout Ayrshire usually positively engage

NOT PROTECTIVELY MARKED

with Police by not only reporting incidents that occur within the Licensed Premise, but incidents that occur out with the premise, ensuring public safety.

PROPOSED ACTIVITY FOR THE YEAR AHEAD

South Ayrshire Sub-Division will continue to focus on "Keeping People Safe" and will work collaboratively with the licensed trade, partners and local communities to improve standards and compliance across the licensed trade and actively targeting;

- excess alcohol consumption
- vulnerability due to excess alcohol consumption
- · sale and supply of alcohol to children and young people
- incidents of crime and offending connected to sale of alcohol

Operation Inver

Operation Inver is a partnership approach to ensure a focussed and proportionate response to support the night time economy in South Ayrshire.

The overarching objective during this time will be to Keep People Safe. The following strategy is implemented for this operation:

- Maximise the safety of the public.
- Minimise disruption to the local communities.
- Ensure public order is maintained, addressing alcohol related violence and antisocial behaviour, particularly in and around licensed premises.
- Ensure licensed premises comply with the current legislation.
- Ensure positive and negative interactions with licensed premises are accurately logged.

Officers are tasked with specific duties including visits to licensed premises to ensure that licensing legislation and responsibilities expected by managers and staff as contained within their license is complied with, and that any instances of anti-social behavior in and around licensed premises is dealt with accordingly.

In engaging members of the public the policing style adopted is friendly and engaging whilst robustly dealing with any instances of anti-social behaviour.

Operation Inver is further enhanced on Saturday nights with the deployment of Taxi marshals, Street pastors and St Andrews Ambulance.

FOCUS ON VULNERABILITY AND DUTY OF CARE IN THE NIGHT TIME ECONOMY – Bystander Training.

Divisional Licensing staff carried out Bystander training in South Ayrshire in May 2022. This is training offered to Licensed premises to raise the awareness of preventing incidents of vulnerability and related crime, promoting safety by identifying the signs

NOT PROTECTIVELY MARKED

of vulnerability at the earliest opportunity, minimising the risk to themselves or members of the public by:

- Understanding what Vulnerability is
- Recognise the impact factors
- Identify those who may be vulnerable
- Understanding what our duty of care is
- Practical information

IT'LL COST YOU CAMPAIGN

The 'It'll cost you' alcohol proxy purchase campaign was promoted in South Ayrshire. The aim of this campaign was to raise awareness of the consequences of proxy purchase and

- Reduce the number of proxy purchases of alcohol for under 18's
- Reduce crime and antisocial behaviour
- Make our communities safer
- Protect children and under 18's from harm

This was to target

- 1. Adult's (anyone over the age of 18) including parents, older siblings, friends and members of the general public, who under 18's may approach to buy alcohol for them.
- 2. Under 18's children need to understand that not only are there serious consequences for the adults they ask to make a purchase for them, their actions may inadvertently place them in dangerous or vulnerable situations.

The Licensing Department has signed up to continue to promote this campaign in 2023 along with the Police Scotland Youth Volunteers.

To conclude we would like to thank you for your continued support during what has been a challenging year for all. We have all had to adapt to a new way of working and ever changing circumstances which has been embraced by all.

We look forward to a safe and healthy 2023/2024.
